

women leaders for a democratic future

Please join Emerge: Women Leaders for a Democratic Future for a performance of Eve Ensler's latest play "The Good Body."

In "The Good Body," Eve, who wrote "The Vagina Monologues" examines what we as women do to ourselves and how we view our own bodies. As with the "Vagina Monologues," she uses humor to deal with very painful subjects.

To benefit Emerge: Women Leaders for a Democratic Future - a training program for Democratic women in the Bay Area interested in running for political office.
